BU SCHOLARSHIPS POLICY 2021/22: UNDERGRADUATE (HONOURS)

1. Scope and Purpose

- 1.1 Bournemouth University (BU) offers a range of undergraduate scholarships in order to reward achievement. Details of the scholarship benefits, eligibility to apply and deadline for applications are listed in Section 6 of this document.
- 1.2 The overarching purpose of offering scholarships is to attract talented students to BU by lowering or removing the financial barrier to study. Scholarships can be broken into three broad types:
 - a) **Recognising Achievement:** To recognise academic achievement or other talents (e.g. sport, music) and encourage students to continue to make a strong contribution in these areas to encourage high calibre applicants to BU
 - b) **Recognising Partnership:** To recognise a special relationship with partner academic institutions and (sponsor) business organisations.
 - c) **Tactical Recruitment:**
 - To invite applications from new markets by using scholarships as part of an integrated campaign to raise BU's profile
 - To incentivise applications to courses that need to recruit more students, and would benefit from a raised profile
 - To reduce the financial barrier for those who would otherwise be unable to take up a place
- 1.3 The criteria for eligibility for each scholarship are approved by Bournemouth University's Fees Group. The Scholarships Implementation Group (SIG), on behalf of the Fees Group, oversees the implementation and administration of all university scholarships through the Scholarships Policy.
- 1.4 Scholarships are awarded as defined within each scholarship category otherwise influenced by any other award/grant held by the scholarship applicant.
- 1.5 If an applicant is not successful in obtaining the scholarship award(s) they have applied for, an alternative scholarship offer can be recommended as appropriate by the relevant awarding committee or relevant team, e.g. International Marketing & Student Recruitment Team (IMSRT) in the case of overseas students.
- 1.6 Scholarship awards can be deferred within an academic year i.e., from September to January but not to the following academic year.
- 1.7 Eligibility criteria and exclusions apply to each scholarship category and are subject to review. Should SIG identify the need for changes to the criteria or terms and conditions of any scholarship, a proposal for the change with rationale and impact identified is submitted to Service Owner (SO) for approval and to the Fees Group for final ratification. Any change will be communicated to enquirers and applicants giving due notice and published information amended. Any changes will apply to the entire cohort in the relevant academic period.

3 Application process and eligibility

- 3.1 All awards specified in this policy are applicable to BU undergraduate students studying campus-based full-time or structured part-time programmes (including Foundation Years and Integrated Masters). Students studying Foundation Degree programmes, either franchised or validated by BU, are not eligible for these awards. BU International College (BUINTCOL) applicants are eligible to apply for BU scholarships for their BU degree, excluding any preparatory programme, subject to meeting the relevant criteria for each individual award.
- 3.2 With the exception of the BU International Partnership and discretionary in-country awards, students can only be in receipt of one academic scholarship. However, eligible students may receive a sports or music scholarship in addition to an academic scholarship. Eligibility criteria and exclusions for each category of scholarship are laid out in Section 6.
- 3.3 With the exception of the BU Sport and Music Scholarships and the Lewis-Manning Hospice Care Scholarship, funds or fee waivers will normally be awarded for the first year of study at BU. Students studying part-time structured programmes will receive their scholarship over two- or three-years pro-rata. Students repeating units/years on an existing course or starting again as a first year on a new course will not be eligible.
- 3.4 A student will only be eligible to receive one award for the highest value unless they specifically request otherwise, for example preferring to receive the Academic Excellence Scholarship in place of another, higher award, for which they have applied.
- 3.5 All students enrolling to study in a particular year, including those students who have deferred their entry from the previous year, are eligible for the scholarship framework offered for the enrolment year only. Students who commenced and subsequently suspended their studies, having partial scholarship funding, will be eligible for the remainder of that award if they recommence studies with BU – see 7.2
- 3.6 Deferred students will receive a notification of the variation to their terms & conditions, including any changes to their scholarship eligibility. Deferred students will be eligible for the scholarships' framework applicable to their year of entry, and not the year of application. Students who suspended their studies will be eligible for continued funding on their original framework.
- 3.7 Academic Excellence Scholarships, Discretionary In-country Scholarships and International Partnership Scholarships are awarded automatically if the conditions are met by the applicant, without the need for a separate application process to be completed. All other scholarships require a separate application to be made.
- 3.8 The application process is set out on the BU website and completed application forms should be submitted electronically at www.bournemouth.ac.uk/scholarships. Alternative application formats are available on request, by contacting our Future Students Enquiry Team (+44 (0)1202 961916).
- 3.9 Consideration will be given to all eligible applicants provided the application is received before the published deadline. Applications for scholarship received after the published deadlines will not normally be considered.
- 3.10 Students applying for an award which is automatically assessed and where additional evidence or self-identification is required must provide such evidence before 31 January 2021 (September entrants) or 30 June 2021 (January entrants). If a student believes they are eligible for an award and has not received confirmation of this by 30 October (September entrants) or 31 March (January entrants), they should contact AskBU (current students).

- 3.11 Students will typically be notified by email of the outcome of their application within 20 working days of the published deadline. Due to the number of applications, it may only be possible to contact successful candidates.
- 3.12 Communication of changes to scholarship provision, eligibility criteria, amount or any other major or minor details will be made to any affected applicants or potentially eligible students. Applicants or affected potentially eligible students will be provided 30 days' notice of the change and their rights to appeal, as per BU's Student Financial Support Appeal Procedure.

4 Appeals

- 4.1 Unsuccessful applicants wishing to appeal should write to appeals@bournemouth.ac.uk within 10 working days of being notified of the outcome of their application stating clearly the grounds for appeal. If students did not receive an automatic scholarship for which they think they are eligible, then they should refer to the Admissions Appeals and Complaints policy: www.bournemouth.ac.uk/students/help-advice/important-information
- 4.2 As per the Student Financial Support Appeal Procedure document (www.bournemouth.ac.uk/students/help-advice/important-information) appeals will only be considered where there is evidence that the process of decision-making in respect of an application did not follow the prescribed procedures; or where pertinent new information is available which was not included in the original application and which materially affects the application. Appeals against the University's judgement of the merit of an applicant against the published criteria will not be accepted.

5 Payment of awards

- 5.1 The Academic Excellence Scholarships (for Home students) are paid in instalments by pre-payment Visa card.
 - 5.1.1 Scholarship awards for Home students will be paid in nine instalments via pre-payment card. Normally, the first instalment will be loaded onto the card in mid-October. The remaining eight instalments will be loaded onto the card from November to June.
 - 5.1.2 To enable the regular payments onto the card the Finance & Performance team will run monthly checks on each scholarship recipient's enrolment status before authorising the card payment.
 - 5.1.3 Students will receive their card via post once they have enrolled at BU. Students will receive an automated email confirmation award of the scholarship, and a further email from the card provider to their registered personal email address informing them that their card is ready for collection. Students will need to inform BU that the card has been received by the student in a prompt fashion.
 - 5.1.4 Students must confirm receipt of card before 1 March for September entrants and 1 July for January/February entrants. Failure to confirm safe receipt of the card before the set deadline will result in the card and the award being cancelled.
 - 5.1.5 The card is a pre-paid card so students can only spend the funds that are in the account and cannot go overdrawn. Students can receive up to 2% cashback on purchases at certain retailers. Students will be advised of the full terms and conditions when they collect their card and can view these on-line under the [important information/finance](#) section.
 - 5.1.6 Student spend on the pre-paid card may be monitored by the card issuer and by BU and any student found to be breaching the terms and conditions of the card may have further scholarship instalments suspended and/or spend on the card blocked and be required to attend a meeting with the Head of Frontline Services and may be subject to disciplinary action in line with the [BU Student Disciplinary Procedure](#) - www.bournemouth.ac.uk/students/help-advice/important-information

- 5.1.7 The card will not be posted to the student until they have enrolled at BU, this would normally be within two weeks of enrolment.
- 5.2 BU Music & Sports Scholarships: Depending on the scholarship, awards can consist of a range of financial awards, or the provision of tuition, coaching, equipment, or funding for competitions and travel expenses and additional support services (e.g. massage, lifestyle, chiropractic treatment etc)
- 5.3 BU International Partnership Scholarship, Academic Excellence Scholarship (international) and discretionary in-country awards are paid via a reduction in fees, or full waiver of tuition fees, typically processed in advance of online enrolment and subject to students providing confirmation of actual grades at enrolment.
- 5.4 Scholarship payment is made subject to confirmation of enrolment and participation on a monthly basis, for the sports and music scholarship, this is reviewed and managed throughout the academic year based on engagement and maintaining levels
- 5.5 There is no alternative to the stated payment method for each award.
- 5.6 Fee waivers will be made on an annual or termly basis, aligned to the frequency of payment by the student.
- 5.7 Pre-payment cards are credited on a rolling monthly basis and are subject to the terms & conditions of the card issuer. Bournemouth University will credit enrolled students accounts, subject to the terms & conditions of the card issuer.

For overseas (non-EU) students joining Level 5 or a top-up degree in Level 6, the criteria of this award may consider additional higher qualifications such as successful completion of a UK Higher National Diploma (HND) with an overall merit profile or equivalent level overseas qualification, if the Secondary School result is below the criteria.
